

## **RENK AG: 3-quarter/2008 financial report pursuant to Sec. 37x German Securities Trading Act (“WpHG”)**

### **Unchanged, RENK presenting solid performance figures**

Despite the sharp deterioration in the economic climate in the course of 2008, RENK managed to continue along its path of success.

Order intake moved up 7% from EUR330 million to EUR353 million; sales were once again strong and improved 29% from EUR293 million to EUR378 million.

The sales boost was also reflected in operating profit (EBIT), which surged 36% from EUR45 million to EUR61 million. Net income (EAT) was upgraded from EUR30 million to EUR43 million, earnings per share (EpS) amounted to €6.32 (up from EUR4.37).

RENK expects the business uptrend to continue for all of 2008. Order intake is predicted to inch up, sales are forecasted at around EUR500 million and, assuming a 15% ROS, operating profit at EUR75 million.
